We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial results section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial results.

Management and Board Directors Responsibilities for the Annual Financial Results

These annual financial results have been prepared on the basis of annual financial statements.

The Company's Management and Board of Directors are responsible for the preparation and presentation of this annual financial results that give a true and fair view of the net profit and other financial information in accordance with the recognition and measurement principles laid down in accounting Standards specified under Section 133 of the Act read with the relevant rules issued there-under and other account resulting principles generally accepted in India and in Compliance with Regulation 33 of the Listing Regulations.

Auditor's Responsibilities for the Audit of the Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors report that includes our opinion. Reasonable assurance is a high level of assurance, but so a

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and
 obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 The risk of not detecting a material misstatement resulting from fraud is higher than for
 one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to
 design audit procedures that are appropriate in the circumstances. Under section 143(3)(i)

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial result or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial result, including the disclosures, and whether the annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
